Have a safe and happy long weekend!

Updated Registration Forms

For all returning families, we wish to ensure that our records are updated so we may ask you to update the child emergency form & registration forms if you've moved and/or changed address, phone numbers to ensure that we continue delivery of quality childcare and educational services. Upon receipt, please fill out the registration form for the new school year and returned to your child's teacher or the office latest by **September 8th, 2017.**

Thank you!

CHILDCARE AND DEVELOPMENT CENTRE

MEDICATIONS

Please ensure that non-prescription medication brought into the Centre is clearly labeled with your child's name, dosage and date of purchase in the original bottle given by the pharmacist.

Just a reminder that Non-Prescription Medications **cannot** be administered on an "**AS NEEDED**" basis or for more than 2 consecutive days (the medication form needs to have complete information – symptoms, the exact dosage, the amount & time it needs to be administered).

If fever persists, we recommend that you consult with your child's doctor. Also, please ensure that the medication is taken home at the end of each use. We are unable to store any medication that is not ongoing.

Excursion!!

***Visit to Nature Centre and Play Barn
@ Bronte Creek Provincial Park,

Labeling

Label, label and more labels!

Please label all of your child's belongings as this helps us at times when a supply teacher is in.

This will also prevent other children's items from accidentally going home! Thanks.

Contact Info

We will be updating centre's email contact list for September. Please send me a short email stating which email address to use to contact or send reminders, etc.

Email to: info@kinderbuddies.ca

Summer Curriculum!

Just a reminder that curriculum over the summer will consist of reviews of what we have done in the past year and on children's curiosity, lead and interest.

Please make sure that your child has spare clothes and a pair of running shoes in their cubby as **sandals and/or crocs can be a safety hazard** for when we go on nature walks or for outdoor play. Also, we ask that sunscreen is applied in a.m. prior to drop-off and we will re-apply in the afternoon.

All structured programming will resume in the fall.

A copy of the 2017-2018 curriculum is with the teacher if needed.

CHILDCARE AND DEVELOPMENT CENTRE

Documentation:

We have been taking pictures of the activities the children have been engaged in and documenting the stories to go along with the pictures. Please feel free to come in the classroom to look and read the stories, which will give you an insight into their learnings in the classroom. If you have seen an extension of this at home and we can incorporate it in our day please let us know.

Special Note:

Please apply sunscreen before coming to centre in the morning.

Your child's teacher will re-apply for afternoon play. We will assist with applying sunscreen to bare surfaces including the face and bare shoulders, arms, legs and feet 15- 30 minutes before outdoor activities.

Vacations and Absences

Please inform us of any vacation or time off as soon as possible so that we may adjust our numbers on the attendance and meal preparation.

Sunscreen **will not** be applied to any broken skin or if a skin reaction has been observed. Any skin reaction observed by staff will be reported promptly to the parent/guardian. It is the parent's responsibility to provide sunscreen with a minimum SPF of 30 or higher.

Thank you! 😊

September 2017/2018

A new school year is just around the corner....

Please make sure that if your child's schedule is changing in September, you provide the centre with a **month's written notice** stating the reason: leaving for school or changes in schedule. All notices received will be provided with a copy of a detailed invoice explaining the changes that will be occurring to your account.

If you have any questions, please feel free to speak with me.

Thank you,
Archana 😊
